ABOUT TOTAL PACKAGING SERVICES

TOTAL PACKAGING SERVICES

Since the year 1985
Total Packaging Services
has been serving its
customers with unmatched
passion and dedication
with the only aim in mind -
" to give our customers
nothing but the best."

We value each and every customer and make sure that each of our customer is completely satisfied and we work till we have the **assurance that we are serving our customers no less than royalty.**

What sets us apart from other packaging services firms are, we are staunch **believers** in **"Quality is not an act, it is a habit"**, we stick to strict manufacturing standard for quality and each product manufactured by our company **undergoes multiple quality checks** to ensure each of our products meets the quality standard set by us.

With a certification of ISO 9001:2015 and being recognised by the Government of India as a prime exporter, we cater to a wide range of industries such as Packaging, Hotel, Pharmaceutical, Apparel etc, our product portfolio includes manufacturing of PP, HM, LD, Pick-up bags, Grocery Bags, BOPP Bags, Printed Shopping Bags, Laminated Printing Pouches, ZipLock Bags and Standee pouches and lay flat tubing.

We also perpetually add complementary products to our portfolio that have a huge potential for growth.

Our Mission

With an experience of 37+ years, our mission is to enhance our quality product portfolio further to the world resulting in ever-growing and sustainable relationships with our top clientele to become Asian leaders in packaging.

Our Vision

We are India's largest plastic packaging products manufacturer with a versatile product portfolio spread across various plastic packaging products and we aim to be Asia's largest manufacturer in flexible plastic packaging. We strive hard to become global leaders in the quality & sustainable packaging solutions, manufacturing and strategic export categories with an aim to expand our portfolio reach worldwide over the next decade.

2,00,000 Sq. Ft. Manufacturing floor space

Capacity of 3500 tons per month

Investing in the latest technologies

Over 37 years of experience

Multiple Manufacturing Facilities

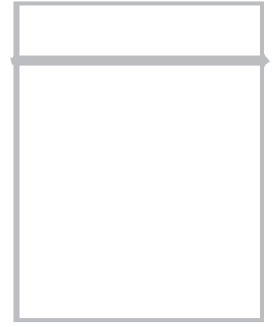

We export to more than 15 countries.

Strong Workforce

ZIPLOCK BAGS

01

ZipLock Bag contains a press at the top that makes the bag reclosable. The press at the top of the bags known as "Zip" makes it distinct from other types of packaging bags as it makes the bags reusable. "Zip" makes it convenient for the user as there is no additional sealing required to close the bags.
